EXPERIENCE

Four-Fox IT Services & Consulting

- Flutter Developer

January 2023 - PRESENT

Successfully took on the responsibility of working individually on two substantial projects, handling challenges from initial design to full functionality. My dedication and contributions earned me an appreciation letter from Four-Fox HR.

- Junior Flutter Developer

July 2022 - December 2022

Took on a pivotal role collaborating with the team to design and develop functional modules for three products, which provided me with valuable learning opportunities. In recognition of my dedication and contributions was promoted to the position of Flutter developer.

Plural Dynamics

- Intern Flutter Developer

December 2021 - March 2022

As an intern Flutter developer, I contributed to the successful completion and certification of a physiotherapist appointment app. Additionally, I was recognized as the 'Intern of the Month' for February.

EDUCATION

University of Karachi — Bachelors of Computer Science

January 2020 - December 2023

In the pursuit of a Computer Science degree, actively focusing on augmenting IT skills and expertise.
